## LINE DRIVES: 100 CONTEMPORARY BASEBALL POEMS (PAPERBACK)

Southern Illinois University Press, United States, 2002. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Poetry and baseball are occasions for well-put passion and expressive pondering, and just as passionate attention transforms the prose of everyday life into poetry, it also transforms this game we write about, play, or watch. Editors Brooke Horvath and Tim Wiles unite their own passion for baseball and poetry in this collection, Line Drives: 100 Contemporary Baseball Poems, providing a forum for ninety-two poets. Line after line - like baseball itself, game after game and season after season - these poems manage to make the old and the familiar new and surprising. Each poem delivers images of pure beauty as the poets speak of murder and ghost runners and old ball gloves, of baseball as a tie that binds families - and indeed the nation - together, of the game as a stage upon which no-nonsense grit and skill are routinely displayed, and of the delight experienced in being one amid a mindlessly happy crowd. This book is true to the game's long season and to the lives of those the game engages.
