Brand New Book ***** Print on Demand *****.Euripides is rightly lauded as one of the great dramatists of all time. In his lifetime, he wrote over 90 plays and although only 18 have survived they reveal the scope and reach of his genius. Euripides is identified with many theatrical innovations that have influenced drama all the way down to modern times, especially in the representation of traditional, mythical heroes as ordinary people in extraordinary circumstances. As would be expected from a life lived 2,500 years ago, details of it are few and far between. Accounts of his life, written down the ages, do exist but whether much is reliable or surmised is open to debate. Most accounts agree that he was born on Salamis Island around 480 BC, to mother Cleito and father Mnesarchus, a retailer who lived in a village near Athens. Upon the receipt of an oracle saying that his son was fated to win -crowns of victory-, Mnesarchus insisted that the boy should train for a career in athletics. However, what is clear is that athletics was not to be the way to win crowns of victory. Euripides had been lucky enough to have been born in the era as the other two masters of Greek Tragedy; Sophocles and Aeschylus. It was in their footsteps that he was destined to follow. His first play was performed some thirteen years after the first of Socrates plays and a mere three years after Aeschylus had written his classic The Orestia. Theatre was becoming a very important part of the Greek culture. The Dionysia, held annually, was the most important festival of theatre and second only to the fore-runner of the Olympic games, the Panathenia, held every four years,...
