[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, vampires, HEA] They know a thousand ways to kill and zero ways to love. The middle bunny of five, Beaumont has grown used to going unnoticed. He's not a leader like Barclay or Basil, he's not blind like Bailey, and he's not snarky like Baxter. He's invisible. He dreams of finding a mate that truly sees him. When a stranger with piercing black eyes arrives at the mansion, his world is turned upside down, and Beau has to decide if being seen is all he dreamed it would be. Prince Dario Montella never dreamed he would find his one and only in his family home, but one look and he knows he has found the center of his universe. But Beau comes with a lot of baggage, not to mention an interfering older brother and an obsessive need to take risks with his life. Finding common ground won't be easy for a prince used to ruling his coven, especially when making his mate happy is harder than letting him walk into danger. It means seeing Beau for the treasure he truly is. ** A Siren Erotic Romance.
