

The Potty Movie for Boys: Henry Edition (Hardback)

By Alyssa Satin Capucilli

Barron's Educational Series, United Kingdom, 2007. Hardback. Condition: New. Dorothy Stott (illustrator). Language: English . Brand New Book. The Potty Book --consisting of a Henry version for little boys, and a Hannah version for little girls--has been a very popular seller, as well as a godsend to moms and dads, ever since Barron's first published it many years ago. The humorous potty-training stories of Hannah and Henry are also available as pair of DVDs that kids can watch on their TV. Parents of little boys will want this, the Henry version. Henry needs to have his diaper changed before he can go out and play. But Mom and Dad have just brought home a big package, and he's anxious to see what's inside. Is it a rocking chair? Or maybe a bed for Teddy bear? No, it's a potty! It's time for Henry to graduate from his diapers and learn how to use the potty. A bonus feature on the DVDs is the song Bye-Bye, Diapers. Toddlers will want to sing along with it as they watch the movie.
