Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. WARNING: This is not the actual book Allegiant by Veronica Roth. Do not buy this Review if you are looking for a full copy of this great book. Find out how critics and fellow readers rate Allegiant while exploring the story's eye openers in this comprehensive review. Fans of Veronica Roth's Divergent series are excited about the final book, Allegiant, where all answers are revealed. The futuristic dystopian world falls into chaos as the faction-based society breaks apart. Emotions run wild as Tris and Tobias discover a new world outside the fence. Each chapter in Allegiant features first-person narratives from the alternating perspectives of Tris and Tobias. This tactic offers a fresh outlook on this fictional world. Allegiant urges readers to question their thoughts on sacrifice and the importance of individuality in society. The main characters, Tris and Tobias, face many challenges as they uncover the genetic foundation of the dystopian world. Personality traits that defined members of the factions are no longer important, and genetic markers become the determining factor in an individual's future. The Divergent series is often compared to the Hunger Games trilogy, partly because it offers a compelling mystery with a satisfying resolution. Learn more about Veronica Roth's life and inspirations to enhance your reading experience. Allegiant provides new perspectives on the meaning of sacrifice within an engaging story filled with a balance of action, intrigue, and romance.
