Brand New Book ***** Print on Demand *****.Excerpt from Memorial Presented to His Grace My Lord the Duke of Newcastle, Chamberlain of His Majesty King George, C., And Secretary of State: Upon the Present Condition of Carolina, and the Means of Its Amelioration So very rare is the following Tract, that we have deemed it worthy of translation, and of reproduction in the present form. The Memorial from which this translation is made is printed in French. It is the only copy we have ever seen. A reference to its existence may be found in John Drayton s View of South Carolina, c., page 214, note, Charleston, 1802. See also Ramsay s History of South Carolina, vol. 1, p. 107, note, Charleston, 1809. A subsequent paper from the same pen, entitled A Description of the Province of South Carolina, drawn up at Charles-Town in September, 1731, was translated from the French and published in the Gentleman s Magazine for August, September, and October, 1732. Mr. Peter Force reprinted it in the second volume of his Tracts and other Papers relating principally to the Origin, Settlement, and Progress of the Colonies in North America from the discovery of the Country to the year 1776. Mr. Carroll has included it among his Historical Collections of South Carolina. See volume 11, pages 121 at seq: - The present forms one of a series of curious special pleas which were industriously circulated and strenuously urged in aid of the English Colonies in America.
