Careergonomics: A Practical Guide for Mastering Personal Development and Employment Success in the 21st Century

By Rashid Brown

AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Careergonomics fuses the worlds of education and business with work-based learning and workforce development to help aspiring students and professionals develop the critical skills necessary to succeed in the 21st century global economy and workforce. Careergonomics will help you to develop a mindset of strategic thinking about personal development and employment success in the emerging 21st century global economy. It will educate you on how to play an active role in identifying and shaping your own work, leisure, abilities, interests, needs, and values as well as self-development in terms of career or lifelong achievement in the workplace. Careergonomics also integrates information literacy with current studies, surveys, research and development, abstracts, articles and computer testing to help career-seekers regardless of age identify endless personal career learning, profession potential, career growth, and personal and professional development opportunities. Finally, Careergonomics will help you learn how to develop a strategic mindset about personal development, career growth, and success achievement. Careergonomics will: Educate you how to play an active role in shaping your own work, leisure, abilities, interests, needs and values as well...
