

All Glorious Above: Music for Upper Voices (Mixed media product)

By David Illiff, Piers Maxim

Royal School of Church Music, United Kingdom, 2016. Mixed media product. Condition: New. Language: N/A. Brand New Book. Following on from the huge success of The Carol Book and Season by Season, RSCM Press are pleased to announce the forthcoming publication of All Glorious Above, a wide-ranging collection covering the entire Church Year for Upper Voice Choirs. All Glorious Above provides material for the Christian Year aimed at upper voice choirs of moderate competence (sometimes able to sing only in unison or 2 parts). Containing over 100 items, it aims to address all needs for seasonal material, material suitable for special occasions and material of general usefulness. The integral CD-ROM will contain alternative arrangements of many items, e.g. unison, 2- or 3-part arrangements of items which will be in unison in the book; piano accompaniments where the existing accept would not be playable without pedals; items in different keys; simplified versions of items where the vocal range is too wide for the average choir (but not simplified in any other way); items which have been published with updated texts (so choirs have choice between original or updated text).
