The New York Times bestselling author of the Manor House Mysteries and the White House Chef Mysteries is back with another nail-biting murder mystery for curator Grace Wheaton. Arriving at the address Frances has given them, they find a coroner's van and police cars parked outside an upscale assisted-living facility called Indwell. One of the elderly residents has been found dead under suspicious circumstances, and Frances, seen arguing with the man earlier that day, is now a person of interest. It's up to Grace to clear her assistant's name and find the real killer before another Indwell resident checks out early.
