They glide effortlessly onwards and upwards, always seeming to know the right things to say and do, in every situation. Everybody likes them - they are great to work with and to live with. They are happy (for the most part) and they know how to roll with life's punches. They have time for everybody and always seem to know what's important (and how to deal with what's not). Is there something they know and do that we don't? Is it something we could all learn? The answer is a most definite yes. They know the Rules of Life. 'The Rules of Life' are the guiding principles that will help you achieve more, shrug off adversity more easily, get more out of life and generally be a happier, calmer, more fulfilled person. 219 pp. Englisch.
