By Gerardus Blokdyk

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Does Microsoft Dynamics 365 Extensions create potential expectations in other areas that need to be recognized and considered? Will team members regularly document their Microsoft Dynamics 365 Extensions work? Is the Microsoft Dynamics 365 Extensions process severely broken such that a re-design is necessary? Are there any specific expectations or concerns about the Microsoft Dynamics 365 Extensions team, Microsoft Dynamics 365 Extensions itself? How does the Microsoft Dynamics 365 Extensions manager ensure against scope creep? Defining, designing, creating, and implementing a process to solve a business challenge or meet a business objective is the most valuable role. In EVERY company, organization and department. Unless you are talking a one-time, single-use project within a business, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, What are we really trying to accomplish here? And is there a different way to look at...
