THE ART OF LOVING ONE ANOTHER: LEARNING TO LOVE AND BE LOVED (PAPERBACK)

One Another Living Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Everyone from Tennyson to Charlie Brown to The Beatles has an opinion about love and where to get it. So why are countless Christian women feeling alone, isolated and desperate to find love anywhere they can find it? The Art of Loving One Another is the first book in the One Another Living Series. In this book you will not only find where love is, but also learn love's benefits for you and for those within your circle of influence. Using John 13:34-35 as a guide, you will discover that your biblical heroes and heroines are just like you. They dealt with fear and worry. They were often isolated, alone and even questioned God. The key is they tapped into the power of Love Itself and then they were never the same. You can learn to do the same! The Art of Loving One Another is a bridge between in-depth Bible studies many women find intimidating and light Christian reads that may not go deep enough. The goal in the series is to connect with women on a personal emotional level and also provide guidance and practice in intuitive study. The design of the book is favorable to personal reading and study or within a small group or Bible study. It is also easily adaptable for retreats and conferences. Enjoy the bonus material, a biblical history short story: Seeking Abigail.
