Survival Guide: (FREE Bonus Included) 20 Survival Lessons About Ticks, Types Of Ticks, Their Habitats And Ways To Get Rid Of Them You may be one of those people who shudder at the mention of the word tick . The idea of a tiny creature being able to walk onto your skin, bite you and infect you with a potential serious disease is concerning; especially if you find yourself in a survival situation. It doesn't matter if your survival is at home after a disaster. Or, in the wilderness after you have become lost; there are many reasons that this can become a possibility. The best way of dealing with this issue is to know your enemy. This book will guide you through the world of ticks and ensure you have enough information to survive a tick bite and to enable you to stay away from the ticks in the first place! You will learn: The threat that ticks...
