REACHING THE SUMMIT: AVOIDING AND REVERSING DECLINE IN THE CHURCH

Essence Publishing, Canada, 2012. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.George Yates is a church health strategist and the director and founder of Son C.A.R.E. ministries, assisting churches across North America. He is a successful practitioner with ministry experience serving on staff and alongside churches to strengthen leadership, discipleship, Sunday school, and strategic planning for the future. More information can be found at Straightforward, honest, practical! This book is a down-to-earth analysis of why so many churches are in decline-and what to do about it. George has given us rock-solid understanding and action plans that flow from his lifelong journey into God's Word, his years in local church ministry and consulting churches, and his passion for Christ's bride. Even if your church isn't in decline, you'll want to read this book. It will keep you from arriving there. -Rick Howerton, Small Group Specialist, NAV Press George Yates has discerningly put his finger on the problems that contribute to the declining church. His perceptions are frighteningly accurate, and his solutions for reversing the trend are wonderfully astute. I commend Reaching the Summit to every pastor and church leader. Those who read this book and employ its principles will be able to stop the church's hemorrhaging and set...
