FOR SPACIOUS SKIES: A SKETCHBOOK OF AMERICAN WEATHER (PAPERBACK)

Dover Publications Inc., United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. The finest cloudscape painter of his generation, Eric Sloane enjoyed traveling back in time to explore how early American farmers interpreted and embraced weather signs. Examining old records, he learned that most farmers kept daily weather reports, which they referred to year after year to help them decide when to plant, harvest, and perform other farm chores. Combining elements of meteorology and Americana, this book...
