Createspace, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After an untimely break up with his fiancée, Dr. William Peterson takes a much needed vacation in the plains of West Texas. Having missed the last several vacations, it was a time that he wouldn't soon forget. As a member of the American Wild West Re-enactors Association, he enjoys the one time in the year when he could Go West. Without even knowing it, William is about to make decisions that will forever alter his life and the lives of countless others around him. Having been caught in a freak electrical storm, William is thrust back in time to 1845. Into the frontier. Before many of the modern luxuries to which he has become accustomed. Little does William know, he is about to have an experience of a lifetime. He'll soon forget the minor things in life as he learns the true meaning of life, love, and eternal happiness.
