

An Introduction to Character Development Education for Secondary Schools in Africa: Leadership by Character Dev. Edu. (Paperback)

By Iwobe S Kingsley

Partridge Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is time to infuse more character consciousness into our social systems to meet the much needed leadership values. It is time to stand up against the hydra-headed monster known to us all as -Moral Degeneration- helplessly limiting our generation upcoming via their need for conformity with social life and trends. It is time we realise that skill and management which makes up 95 of our academic curriculum has failed to deliver unto us the maximum benefits of education - which is to produce graduands with educated minds. It is time we understand that character can and should be taught in schools to help students/teenagers with the capacity to make principle - centred judgment, choices and decisions that will help them through contemporary times. It is time we realise that -quality education- is more a function of the - character learning content- within the academic program; than the emphasis placed on skill and management subjects and academic environment. It is time we realise that only character/leadership knowledge develops the mind of a learner and inspires creativity; while our skill and management keeps our...
