Brand New Book ***** Print on Demand *****.Prisoners of Hope opens a unique window into the minds and hearts of engineers, revealing two characteristics that every successful innovator must have--faith and hope. Steering clear of spiritual cliches, Prisoners of Hope provides practical insights and fresh accounts of innovators doing what they do best. This book is an inspiring description of how innovators use these patterns to get the lift they need for innovating, and a practical play on the power and potential of faith. Find out how innovators get lift. You will get it too. A cohesive laminate of logic on innovation - Doug Gilmour, artist,...
