The men of the Skull Blaster unit have spent most of their lives fighting together for a safer world, first in the military and now as an elite team supervised by Homeland Security. Now they have an even more pressing reason to make the world a better place. Their children are about to be born. Mateo Esposito grew up in foster homes, alone and cynical, grateful for the day he could be on his own. When fate upset his ordered life with innocent Riley Flynn, he didn't stand a chance against love. Now the soulmates are expecting two bundles of joy. Sam Waters found new life when he married Dakota Cadotte, the man with eyes like stars. Unaware Dakota was a werewolf when they met, Sam has now embraced the life he's been given with the man he loves. They also are expecting a baby any day now. When the time comes, the babies enter the world with a roar! Tears and hugs are shared, and life's road takes a definite twist as secrets and surprises are revealed. But chaos is nothing new for these men, is it?.
