Random House USA Inc, United States, 1998. Paperback. Condition: New. Reprint. Language: English . Brand New Book. No other novel of our time strikes so close to the heart of the dilemma of the black artist in America that this controversial, gripping portrait of a successful actor explosively confronting his angers, his shames, his past, and his passions. From its moving description of a boy growing up in Harlem to its frankly erotic scenes of love that shattered society s conventions, this is a narrative that cries out for social change and hits with hammer blows of truth at the conscience of a nation.
