CARING FOR OLDER PEOPLE

Nelson Thornes Ltd, UK, 1991. Soft cover. Condition: New. This is a book for pre-vocational students on the care of elderly people within a multicultural society. The topics covered include: relationships with family and friends; the ageing process; common conditions affecting elderly people, including mental infirmity; caring for an elderly relative at home; residential care provision; dying, bereavement and coping with loss. Many case studies and a variety of questions and exercises are included. The book is written for students...
