CASCADE BOOKS, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Two things confound and confuse most of us: our dreams and the book of Revelation. However, people remain fascinated with both. This study tackles both subjects. The book of Revelation is a vision, a dream, yet it is most often interpreted as if it were a piece of consciously created literature. One should never attempt to decipher a dream or vision by purely rational methods; rather, the dream needs to be approached as poem, art, and mythic story. In this book you will learn a means of understanding your dreams and then apply this to approaching a renewed view of the book of Revelation. It has been said every generation over the past one thousand years has sought to unlock the Book of Revelation s meaning. What is different about this approach is that Isaacs combines his biblical scholarship with that of a clinical psychologist, and examines John s vision through dream analysis and human development. He examines the numerous symbols in the Book of Revelation through the lens of dream interpretation. An insightful and a fresh analysis of this mysterious book, culminating in union with God and a transformed life. --John Handley, Director, SFA Galleries School of Art T. Craig Isaacs is a clinical psychologist practicing psychotherapy and spiritual formation in Marin County, CA. He is also a priest of the Anglican Church North America. He is author of the book Revelations and Possession: Distinguishing Spiritual from Psychological Experiences (2009), as well as two books on preventing violence in churches: Wolves Among the Sheep (2011), and The Wolves Among the Sheep Workbook (2013).
