Jane Pauley, America's baby boomer (Tom Brokaw), offers an inspirational guidebook chockablock with keen insights for career transitions Compelling (USA TODAY). In 2014, every baby boomer will have reached the milestone age of fifty. For most, it's not an end, but the beginning of something new. Research has shown that people in their fifties are more vital now than they were only ten years ago. They're saying, I'm game, I'm up for it, I want to do more. Jane Pauley, one of America's most beloved and trusted broadcast journalists, offers humor and insight about the journey forward. The New York Times bestseller Your Life Calling is a fresh look at ideas that have been simmering since boomers first entered midlife with a different perspective on the future than any generation before: that there was more to come and perhaps the best of all. Jane Pauley is a wonderful guide to all the different ways you can open new doors in life, many of which lead to unexpected places. She shows with humor and insight why the journey to reinvention can come from all...
