Through many true stories and miracles, you will understand it is incredibly beautiful and never to be feared. Because you cannot see your loved ones who have passed on, it doesn't mean that they are gone from your life. By learning how to meditate or channel it is easy to stay in touch. You can always know their love and ask their help, for they are always with you. There are chapters in Spiritual Encounters on how to meditate, channel and regress to a past life. All of it fascinating and easily attainable. Red Cloud has been the author's Spirit Guide for many years. Why do they communicate so easily? You will find out when you read this book.
