What is the most appropriate training for those who work with dyslexic people? This comprehensive guide is for professionals working with adults with dyslexia in the learning and working environment. It uses practical definitions and offers advice that can be understood by professionals and employers with little or no previous understanding of dyslexia. They send out a clear, strong message: listen to dyslexic people. Joanne Rule, Chief Executive, British Dyslexia Association In my opinion this authoritative and well-researched account should be recommended reading for anyone...
