Ebola Is Still a Threat: How to Use Your Body and Diet to Defend Against Infectious Diseases (Paperback)

By Derek a J Ellison

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book is to clarify in summary and the simplest terms, what we are up against (in the Ebola Virus); as well as how we can prepare our bodies to meet the challenge (should it arise) in the easiest, most cost efficient way by strengthening our Immune System s defensive capabilities. I also explain why survival from contraction of the disease depends far more on the Immune System than vaccines (though they may play a significant role for many). It is not uncommon for those who are unaffected by a direct threat to ignore or take much concern in the danger, devastation or loss of life that such a threat may cause or may have caused to others. In an assumed perfect world, in which we may find comfort; it is far easier on the mind, body and spirit to disregard and mentally keep distant whatever we might regard as distant. Unfortunately, this is no longer the case as the Ebola Virus has reached the USA and several Europe countries. Thus, can no longer overlook the fact...
