DC Comics, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Written by CHRIS ROBERSON Art and cover by MICHAEL ALLRED iZombie is flat out my favorite new title this year. The main cast is really fun and have solid voices, and the recurring set pieces give the series a welcoming feel, more like a favorite TV show than a typical monthly. -CBR/COMICS SHOULD BE GOOD The first five issues of this smart detective series that mixes urban fantasy and romantic dramedy is collected, with a story from the HOUSE OF MYSTERY HALLOWEEN ANNUAL #1. Gwendolyn Gwen Dylan is a 20-something gravedigger in an eco-friendly cemetery. Once a month she must eat a human brain to keep from losing her own memories, but in the process she becomes consumed with the thoughts and personality of the dead person - until she eats her next brain. Gwen sets out to fulfill the dead person s last request, solve a crime or right a wrong. Our zombie girl detective is joined by her best friend, Eleanor, who happens to be a swinging 60s ghost, a posse of paintball-blasting vampires, a smitten were-dog and a hot but demented mummy. On sale MARCH 16 * 144 pg, FC.
