There is danger on the horizon, but tomorrow dawns a new day. As the world boils in chaos, Gods people scour the Earth in search of healing. Over the past several millennia, Christs body has progressively taken on the name, identity, and practices of what is now known as the Church. Sadly, this word, along what it often represents, falls dangerously short of its potential. For all of its glory the Church is broken , battered, and in need of restoration. The Bible contains hidden truths that are, at this very moment, being revealed throughout creation. This book opens the door to a journey of reformation. As sure as the Son is risen, so too will His Ekklesia Rise. This book highlights a Biblical blueprint for reconciling Christs glorious organization - The Ekklesia. This book is the first step toward demystifying the increasingly popular term Ekklesia. It is the first step toward the healing of Gods people and the cultural transformation of the world. This item ships from La Vergne, TN. Paperback.
