To the Student of Bible Prophecy, I have studied Bible Prophecy since 1984. I have read a lot of books on prophecy and found that most of them assume you know certain basics about prophecy, so they discuss end time events and usually don't tell you the background and other information you need to know to understand what they are telling you. They give you the meat of prophecy without the milk you need to digest the big stuff. This study course gives you the background and the facts you need to understand prophecy. In other words, it takes you from the milk to the meat of the word. **PURPOSE:** The intent is to teach the interested about the return of the Lord Jesus Christ to this earth, to claim the victory He won on the cross, for you and me. The study does not intend to be denominational, rather its intent is to enlighten and to bring all of the Body of Christ, His Church, together as one. **SCOPE:** The scope of the study is from the beginning to the end: from Genesis to Revelation. The student is taken through the study from scratch. The study concentrates strongly on prophecy that has already been fulfilled, showing the steps leading up to today and what the Bible says will soon occur. The outline shows there are 30 Lessons arranged into 11 Lesson Sets. Each Lesson Set has a pre-test, a test, answers, Extra Information Sheets, other aides to help understanding, along with a Subject Reference in the back. It is my fervent hope that the Holy Spirit will impress upon you the need to be aware of the Lords imminent..
