By United States Government Us Army

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Technical Manual TM 4-14.21 Rail Safety provides authoritative safety information for rail operations conducted by United States (U.S.) Army rail operating personnel both within the United States and at overseas duty stations. It describes both general safety guidelines and procedural rules for conducting operations in a safe manner. It provides basic information for commanders and staffs of operating units and for staff officers of higher headquarters. This publication applies to a range of military operations and supports Army doctrine reference publication (ADRP) 3-0, Unified Land Operations, and Army doctrine publication (ADP) 4-0, Sustainment. The intent of this TM is to provide a baseline safety standard for all United States Army rail operations. The principal audience for TM 4-14.21 is all members of the profession of arms. Commanders and staffs of Army headquarters serving as joint task force or multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range of military operations and joint or multinational forces. Trainers and educators throughout the Army will also use this publication. TM 4-14.21 applies to the Active Army, Army National Guard/Army National...
