

Fanning the Flame: What Does Baptism in the Holy Spirit Have to Do with Christian Initiation? (Paperback)

By Heart of the Church Consultation

Michael Glazier Inc, United States, 1992. Paperback. Condition: New. Language: English . Brand New Book. The authors of this document supply much-needed clarification of baptism in the Holy Spirit. They also provide evidence that baptism in the Spirit belongs not to the personal experience of the few, not at all to private piety, but to the public official liturgy of the Church. Baptism in the Spirit is therefore normative. The authors, supported by letters of encouragement from two bishops, suggest ways in which the baptism in the Holy Spirit can be reappropriated by the local parish. Here are the sources of renewal, of on-going conversion, of the power of evangelization. For this reason, this document is of interest to pastors, liturgists, RCIA teams, people involved in the catechumenate, spiritual directors and those in spiritual formation.

Reviews

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.
-- **Art Gislason**

Completely among the finest books I have actually read through. It is probably the most remarkable book we have studied. I discovered this book from my dad and I suggested this book to learn.
