

## Culture and Meaning in Health Services Research: An Applied Approach

---

By Elisa J. Sobo

Left Coast Press Inc, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English Brand New Book. Culture and Meaning in Health Services Research is a practical guide to applying interpretive qualitative methods to pressing healthcare delivery problems. A leading medical anthropologist who has spent many years working in applied healthcare settings, Sobo combines sophisticated theoretical insights and methodological rigor with authentic, real-world examples and applications. In addition to clearly explaining the nuanced practice of ethnography and guiding the reader through specific methods that can be used in focus groups or interviewing to yield useful findings, Sobo considers the social relationships and power dynamics that influence field entry, data ownership, research deliverables, and authorship decisions. Crafted to communicate the importance of culture and meaning across the many disciplines engaged in health services research, this book is ideal for courses in such fields as public health and health administration, nursing, anthropology, health psychology, and sociology.

### Reviews

*This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*
