

Journeys Through the Inside Passage (Paperback)

Filesize: 7.98 MB

Reviews

The ebook is fantastic and great. I am quite late in start reading this one, but better then never. I am just pleased to inform you that this is the greatest book i have got study inside my personal daily life and could be he best pdf for at any time.

(Miss Shany Tillman)

JOURNEYS THROUGH THE INSIDE PASSAGE (PAPERBACK)

Graphic Arts Center Publishing Co, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Journeys through the Inside Passage 1st edition 1992 2nd edition 1998 Writer and fisherman Joe Upton recounts the riveting stories of explorers of the past and seafarers of the present in JOURNEYS THROUGH THE INSIDE PASSAGE. His chronicle offers events vivid in their telling: the journey of widow Muriel Blanchet, who solo navigated a small vessel in the 1930s with her five children; the failed meeting of explorers Alexander Mackenzie and George Vancouver in 1793; countless sinkings; and tales from the author s own experiences plying this legendary waterway. A thoughtful combination of sailing instructions, travel guide, social history and personal diary, and a convincing depiction of a waterway as cultural and geographical region. --Writer s Northwest Once in a while, an author who knows a good deal about a subject writes a book. In rare instances the knowledgeable author is also a fine writer, and the book achieves distinction. Joe Upton s JOURNEYS THROUGH THE INSIDE PASSAGE is one of those happy occurrences-a book that will sweep readers along the water maze of the Inside Passage with pleasure and interest, providing entertainment and instruction in equal measure . . . The love of the sailor for the sea is evident, but the author is a sailor who reads literature and history to understand his region . . . He relates stirring tales of shipwrecks interspersed with other lively tales of adventures of himself and friends. Good stories of colorful characters at sea and on land abound . . . Those who traverse Alaska s maritime world will find Upton exciting and authentic. And armchair literary voyagers like myself will place the book high on the list of favorite maritime reading
