Beloved, I pray that you may prosper in all things and be in good health. 3 John: 2, NKJV In this groundbreaking book, school psychologist Dwayne D. Williams explains human behavior from a spiritual perspective. He reveals that God intends for you to experience success in every area of your life-that s right, every area! He pairs psychological principles and Scripture to show the role your mind plays in spiritual development and achieving success. In this book, Dwayne shares exactly what you must do to overcome anxiety, fear, and other social and emotional challenges that interfere with success! From this book, you will learn -how to use thoughts to develop spiritually -how to use your mind to create Godly habits -why memory is key to accessing the blessings of God -why meditation is critical to spiritual development -why God places emphasis on learning accurate information - how to use mental abilities to experience success God s way Human Behavior from a Spiritual Perspective is a two-book series. This book s (Book 2) theme is mental tools and focuses on using mental abilities, including thoughts, memory, and meditation, to renew your mind and experience success in every area of your life. It is recommended that readers read Book 1 prior to reading Book 2.
