Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Parenting is filled with lots of wonderful experiences and also with challenges, doubts and uncertainties about the approaches to take with your kids. If you are like I was decades ago when my kids were young, you wonder what your kids will turn out to be. You have dreams of the perfect little angels they will be, not only as they grow up, but also as they become adults. You want the absolute best for them. Perhaps also, there are days of anxiety as you encounter new situations and wonder what the best approaches are to handling them. Should you insist on some things being a certain way, or is there a time to let up and allow your kids some slack? If so, when is the best time? How can you ensure that they grow up to be responsible, contributing members of their communities? Is there a better approach to parenting? And if so, what does it look like? The questions can really go on and on. This book will help you answer many of these questions. It provides a framework from which to practice your parenting based on research and decades of vicarious experiences with tens of thousands of parents and their kids using approaches to parenting that are most effective. It is a compilation of years of observation, research and vicarious data gathered into 101 tips. It also presents a few tips incorporated into lessons learned in my own parenting experiences that will help you incorporate and avoid having to learn those lessons in your own experiences. A practical guide as well as a source of inspiration, you ll find that more than just a few of the tips...
