A FIRST COURSE IN TURBULENCE (HARDBACK)

MIT Press Ltd, United States, 1972. Hardback. Condition: New. Language: English . Brand New Book. This is the first book specifically designed to offer the student a smooth transitional course between elementary fluid dynamics (which gives only last-minute attention to turbulence) and the professional literature on turbulent flow, where an advanced viewpoint is assumed. The subject of turbulence, the most forbidding in fluid dynamics, has usually proved treacherous to the beginner, caught in the whirls and eddies of its nonlinearities and...
