

The Cuban Connection (Paperback)

By M L Malcolm

Good Read Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Set in New York and Havana during 1960, The Cuban Connection introduces ace reporter Katherine O Connor, who has a nose for news and an inclination to use it in very dangerous places. Working undercover in Castro s Cuba, she gets a little too up-close-and-personal with Castro s thugs, a priest who may be working for the CIA, and a little boy whose survival is mysteriously linked to the welfare of Katherine s own mother-not to mention falling for a man who may be a Soviet spy. The Cuban Connection incorporates actual historical events into a page-turning tale that is by turns riveting, poignant, and hilarious-not unlike Katherine O Connor herself. M.L. Malcolm is the author of two previous novels, Heart of Lies and Heart of Deception, both published by Harper Collins.
