Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Preface. For several years past, one of the most valuable features of The Painters Magazine has been its department of Questions Answered, to which its subscribers have been invited and encouraged to send the various knotty problems and difficulties that they have met with in their daily business. No effort nor expense has been spared to answer every question submitted, and to supply the subscribers with thoroughly up-to-date and practical information based on present day American usage. The fact that questions have been received from every part of the United States and Canada, as well as from many other parts of the globe where the English language is spoken, shows how fully this feature of The Painters Magazine has been appreciated. We have long believed that these practical answers to actual questions on almost every paint topic would become still more valuable to the progressive craftsmen if they were gathered together in such form that they might be always at hand, ready for reference; and the present volume, in which 739 of them are gathered together, is the outcome of that belief. In reprinting the Questions answered from The Painters Magazine we have omitted the initials and location of the questioners, and instead of reprinting their letters, we have stated concisely the conditions of the particular case concerning which information was requested, or have summarized it in the title of the paragraph or section. The index, which will be found at the end of the book, has been made very complete, so that any particular subject may be readily found. We would suggest, in looking up any special information wanted, that all the paragraphs referred to in the...
