The commission has jurisdiction over all projects involving the construction, operation, and maintenance of dams, water conduits, reservoirs, power houses, transmission lines, or other project works for the development, transmission, and utilization of power (except as noted in paragraph B below) which affect - (a) Navigable waters of the United States, as defined in the Federal Water Power Act and in these regulations. (b) Other waters of the United States over which Congress has jurisdiction under its authority to regulate commerce with foreign nations or among the several States, when the commission finds that the interests of interstate or foreign commerce will be affected. Anyone proposing to build a project on waters over which he considers the jurisdiction of the commission doubtful should file a Declaration of Intention under Regulation 7. The commission will thereupon make...
