FIFTY MIDLIFE IN PERSPECTIVE

Condition: New. Ships From Canada. New. No dust jacket as issued. Trade paperback (US). Glued binding. 172 p. Audience: General/trade. From Publishers Weekly: A professor of psychiatry at Stanford, the author provides more information than advice on midlife matters. He has a calm, often colorless style, and readers will discover little new among the statistics and research findings he presents on the ways aging affects the body, sexuality, career development and personal relationships. Indeed, some of the material states the...
