That's where Adobe Photoshop Lightroom comes in. Designed from the ground up with digital photographers in mind, Photoshop Lightroom offers powerful editing features in a streamlined interface that lets photographers import, sort, and organize images. The Adobe Photoshop Lightroom Book was also written with photographers in mind. Best-selling author Martin Evening describes Photoshop Lightroom's features in detail from a photographer's perspective. As an established commercial and fashion photographer, Martin knows firsthand what photographers need for an efficient workflow. He's also been working with Photoshop Lightroom from the beginning, monitoring the product's development and providing feedback on the public beta. As a result, Martin knows the software inside and out, from image selection to image editing to image management. 336 pp. English.
