*Includes pictures *Includes contemporary accounts *Profiles the various art in each museum *Includes online resources and a bibliography for further reading
The Louvre: The very name conjures up scenes of art and elegance, and of long halls filled with beauty and people strolling through them whispering quietly among themselves about the glories they are witnessing. Even those who have never been to the Louvre know some of its most prized possessions, from ancient statues to Leonardo Da Vinci s Mona Lisa. As the world s largest museum, the Louvre is unquestionably the cultural highpoint of Paris, a city that has long been considered the cultural center of Europe. However, life is rarely as simple as one imagines, and the life of the Louvre is no different. While just about everyone is familiar with its history as an art museum, the Louvre s history goes back over 800 years, and it used to have far different purposes, both as a medieval fortress and a palatial residence for French kings. The Louvre bore witness to mass murder during the French Revolution, and there have been countless accusations of theft and other questionable actions since its opening. Furthermore, the museum is also a classic example of beating one s swords into ploughshares, for it has been largely stocked through the conquests of war. Its first collection was put on display by a king who wanted to share his personal art collection with his subjects. Following the French Revolution, the Louvre became a place of ascetic refuge, where those burdened by daily life could go, often at no cost, and visit some of the most beautiful pieces of art in the world. While the power...
