Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Rome and Reform, Vol. 1 of 2 Ranke's great work, upon the same subject that I deal With, must ever be regarded by all later comers with despairing admiration; Lord Macaulay's brilliant review of Ranke is even better known to the British public. Still, within the last sixty years, many new works bearing upon my subject have been given to the world, - works of which I have, as I hope, made good use. I can, moreover, say that I can remember the Pontificate of Pius IX. from beginning to end, and whoever has done this Has seen a wonderful chapter of European History. I sometimes Fear that I have laid myself open to Lord Beaconsfield's famous sneer at a certain Scotch writer, and that my two volumes seem intended to prove that Providence was on the side of the Protestants. All I can answer to this is, that I have striven to hold the balance fair, to amass a vast number of facts, and upon these alone to build my theories. I have not taken the full advantage I might have done; thus, who could have blamed me had I begun my account of Italy with Pope Alexander VI., and not with Pope Julius II.? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
