Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from War Service Roll of the Massachusetts Agricultural College, Vol. 10: October, 1918 The following list of Aggie men in service has been prepared from the most authentic information which has been placed at our disposal. Without question, there are omissions from and errors in this list. In order to make it complete and accurate we must rely upon the co-operation and assistance of the men in the service and members of their families. This list covers inductions of which we have record up to September 1, 1918. Many more names will be added to this list as a result of the new draft regulations, and we are anxious to have these reported as soon as possible. We wish to make the following specific requests: 1. That men in service notify us promptly of any change in address or rank, or that they arrange with members of their families to so inform us. 2. That men who may enter the service during the next few months may so inform us. 3. That we be informed of any omission or error that may be noted in this list. Cards convenient for reporting information will be found next to the cover of this booklet A copy of this list is being sent to all men known to be in the service, to members of their families and to all other graduates. In common with nearly all other American colleges, this institution will now become a military training center, giving preliminary training to officers.
