

## African American Almanac: 400 years of Triumph, Courage and Excellence (Paperback)

By Lean tin Bracks

Visible Ink Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The most complete and affordable single-volume reference of African American culture available today, this almanac is a unique and valuable resource devoted to illustrating and demystifying the moving, difficult, and often lost history of black life in America. A legacy of pride, struggle, and triumph spanning more than 400 years is presented through a fascinating mix of biographies-including 500 influential figures-little-known or misunderstood historical facts, enlightening essays on significant legislation and movements, and 150 rare photographs and illustrations. Covering events surrounding the civil rights movement; African American literature, art, and music; religion within the black community; and advances in science and medicine, this reference connects history to the issues currently facing the African American community and provides a range of information on society and culture.
