Jean Jacques Rousseau was a Genevan philosopher, writer, and composer of the 18th century. Jean Jacques Rousseau s political philosophy influenced the Enlightenment in France and across Europe, as well as aspects of the French Revolution and the overall development of modern political and educational thought. On The Origin of Inequality is one of Jean Jacques Rousseau s works which has influenced politics government throughout the world. On The Origin of Inequality espouses Jean Jacques Rousseau s view that private property is the original source and basis of all inequality. While indirectly delving into the subject of free will determinism, Rousseau also discusses two types of inequality; natural, or physical inequality, and ethical, or moral inequality. On The Origin of Inequality is often required reading for courses in philosophy, politics government, and politics social sciences.
