Reviews

Absolutely among the best publication I have got at any time go through. It really is writter in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.

THE INSPECTOR AND THE TROUBLEMAN

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1913 Excerpt: .wiring of nearly all the principal companies in this part of the country. You can take it and study them, but first we will look them over together. For fear the diagrams may not be quite clear to you, I want to call your attention to two or three symbols in common use. When you see those toothed lines placed opposite each other, that means an induction or repeating coil. When you see a single one of these by itself, however, that means a resistance coil, or perhaps a resistance without the coil. Those circles connected by a link mean a polarized bell or ringer. When you sec a straight line ending in an arrow point, it means a switch contact. The rest is easily understood. I have been around this plant pretty well and have been ordering new parts where new parts were needed in order to save buying instruments out and out. Before I get through here, I hope to see all the instruments of one or two patterns, and work off these instruments on other towns as fast as we can. Still we can make many of them as good or better than new, for we can get better material now than two or three years ago. WILL GETS Hrs INSTRUCTIONS. Now, went on George, I have given you these diagrams, and as I have other work to look after, you can proceed to wire up the instruments when you have nothing else...
