When we find something new at Giza, we announce it to the world. The Sphinx and the Pyramids are world treasures. We are the guardian s of these treasures, but they belong to the world. - Zahi Hawass, Egyptologist The pyramids of Egypt are such recognizable symbols of antiquity that for millennia, people have made assumptions about what they are and why they exist, without full consideration of the various meanings these ancient symbolic structures have had over the centuries. Generations have viewed them as symbols of a lost past, which in turn is often portrayed as a world full of romance and mystery. This verbal meaning has become associated with the structures through the tourism industry, where intrigue obviously boosts ticket sales. In fact, the Egyptian pyramids are so old that they were also drawing tourists even in ancient times. In antiquity, the Great Pyramid of Giza was listed as one of Seven Ancient Wonders of the World, and it is the only one still surviving today. The age and structural integrity of the pyramids also make them symbols of longevity and power, which is only fitting because those are two purposes the ancient pharaohs who commissioned these works intended them to serve. For the pharaohs, the construction of these large monuments presented an opportunity for them to showcase their influence and become something to be remembered by, both in the society they ruled and in the annals of history that would follow....
