Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I, in fact, changed my way of thinking.
(Lucinda Stiedemann)

DOCTOR WHO: CODE OF THE KRILLITANES

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Doctor Who: Code of the Krillitanes, Justin Richards, "I blame those new Brainy Crisps. Since he started eating them, he's been too clever by half." Can eating a bag of crisps really make you more clever? The company that makes the crisps says so, and they seem to be right. But the Doctor is worried. Who would want to make people more brainy? And why? With just his sonic screwdriver and a supermarket trolley full of crisps, the Doctor sets out to find the truth. The answer is scary - the Krillitanes are back on Earth, and everyone is at risk! Last time they took over a school. This time they have hijacked the internet. Whatever they are up to, it's big and it's nasty. Only the Doctor can stop them - if he isn't already too late. A short, sharp shot of adventure, featuring the Doctor as played by David Tennant in the hit Doctor Who series from BBC Television.
