Reviews

*I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).
(Prof. Jeremie Kozey)*

YE BOOKE OF YE CARDS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Ye Booke of Ye Cards From the earliest times, cards have been used for the purpose of divination; those invented or probably adapted for Charles VI. of France, were by no means the first. Many of them date back many years, B.C., and were known to the Chinese, Chaldaens, and various other nations of the East. In Europe they came into vogue about the time of Charles VI., but were introduced much earlier in the century by the Moors, though there is no authentic date to go by. The Tarot are the most ancient, but as these are very complicated, and everyone may not care to take the trouble to study them. I have left them to the last, giving the simpler methods first. If the reader has the patience and time to study these latter, he will be amply rewarded for his trouble. Even if he does not succeed in obtaining the occult meaning, he will be afforded many an hour s amusement, and my little manuel has been written towards that end. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
